

SRI BALU ELECTRONICS & FURNITURES

CLIENT DELIVERY & SYSTEM HANDOVER DOCUMENT

This official handover document contains live deployment links, access credentials, and technical specifications for the **Sri Balu Electronics & Furnitures** e-commerce platform. All systems are live, globally hosted on Vercel, and synchronized in real-time with MongoDB Atlas Cloud.

1. Live Deployment & Access Portals

Portal	Live Website URL	Description
Customer Store	https://balu-storecom.vercel.app	Public storefront for customers to browse, filter, cart & checkout.
Admin Dashboard	https://balu-storecom.vercel.app/admin	Store management dashboard to add products, edit prices & manage orders.

2. Administrator Credentials

Item	Credential / Value	Notes
Admin URL	https://balu-storecom.vercel.app/admin	Direct admin management portal
Username	Admin	Default administrator username
Password	Admin@123	Standard management password
API Secret Token	admin-secret-token	Secures all write API requests

3. Delivered Capabilities & Features

- **Real-time Cloud Sync:** Integrated with **MongoDB Atlas**. Product additions, price updates, and announcements reflect on the live customer storefront instantaneously.
- **Catalog & Product Management:** Add, edit, discount, or remove products across Electronics, Furnitures, Home Appliances, and RO Water Purifiers with image & color options.
- **Customer Ordering & Cart:** Interactive shopping cart, instant pricing calculator with discounts, and customer order placement.
- **Store Banner & Announcements:** Change promotional announcements anytime from the Admin panel without modifying code.
- **Mobile & Responsive:** 100% responsive user interface optimized for smartphones, tablets, laptops, and desktop screens.

4. Technical Specifications & Infrastructure

Layer	Technology / Service	Specification
Frontend UI	HTML5 / Vanilla CSS3 / Modern JS	Ultra-fast, zero external dependency load
API Layer	Node.js & TypeScript Serverless	Global Edge deployment on Vercel
Database	MongoDB Atlas Cloud Database	Persistent cloud storage with auto backups
Hosting & SSL	Vercel Edge CDN (HTTPS)	99.9% uptime, automatic SSL certificate
